

# WormCheck sample submission

## **Sample collection**

Collect a matchbox-sized sample of fresh manure and store in named airtight bag/container. When airtight, samples can be kept in the fridge for 3-4 days before submission if you have many animals to collect from.

Fill in below form with contact details, and sign the disclaimer.

## **Sample Submission:**

### **Via Post**

Post samples to: Jacqui Panozzo, PO Box 656, Warragul, 3820

Samples should be sent via Express Post, which is a safer option as regular post which may take up to a week to arrive. If you are able, please msg through tracking number to ensure it is picked up on time.

### **Drop off to the WormCheck Lab**

Private message the FB page, or submit a request on the website for the home drop off location

## **Payment Details**

All samples are \$10 each. Payment can be cash (left with sample at drop off) or Direct Debit.

Direct Deposit fee to:

Acc Name: Jacqui Panozzo

BSB: 013885

Acc: 455648866

Please use your name as a reference.

Tax Invoices available on request.

# WormCheck sample submission form

Please print this out and include with your samples.

Email: \_\_\_\_\_

Ph: \_\_\_\_\_

Sample name + animal age	Date of last worming and with what active/product	Any other details? (Last FEC if known)

**Payment details:**

Number samples: \_\_\_\_\_ x\$10 each = total: \_\_\_\_\_

DD Reference: \_\_\_\_\_

**Disclaimer:**

The information provided by a FEC can only be used as confirmation of a gastrointestinal parasite infection. WormCheck's FEC service is simply a tool to allow owners to make a more informed decision about treating their animals with anthelmintic drugs. WormCheck will provide advice on possible treatments based on published guidelines, however the final decision to treat (or not to treat), and with what drug, is the sole responsibility of the owner of the animal.

I understand the above disclaimer
